Record Outlines Plans To Publish Directory, Full-Coverage Shopper

Here comes 1939! And with it the promise of one of the most active and progressive years the San Francisco Bay area has ever enjoyed.

The Daly City Record shall not lag behind. Instead it has outlined a progressive plan of self development and service to this community. BIGGER and BETTER newspaper service—not just words but actually improved newspaper service through The Record and two auxiliary features—a city directory and a shopper.

Immediately work will be started on a city directory—to be complete in every detail. History of the growth and development of this community, pictures of its outstanding physical features, its officials and leaders, and full details of the advantages enjoyed by residents and business people here will be included in the book.

The directory will be off the press about the time the 1939 Fair opens. In addition to being distributed to every home in Daly City, issues will be placed in the San Francisco Peninsula Inc. booth on Treasure Island to tell the world about Daly City.

The shopping newspaper, a service which The Record has studied thoroughly for many months, will make its debut sometime in the spring. To give local merchants and business men full coverage advertising at reasonable rates will be the principal objective of this paper. It will also carry reader interest material and homemaking hints to aid the housewife.

D. C. RECREATION DEPARTMENT NEWS

Daly City Recreation department reports that recent installation of an additional light at the horseshoe courts, Los Banos avenue, has made possible night play on all four courts. The courts are open for play during the day as well.

During the holidays, while schools are closed, playground and needlecraft centers at Pershing, Wilson and Thornton schools are open from 9 a. m. until 5 p. m., Monday to Friday.

LAGOMARSINO BROS. START CONSTRUCTION

William and Ricco Lagomarsino, Colma, have completed all arrangements with a local contractor to construct a new building on the corner of Mission and Moltke streets. Mr. Bernard K. Dobkowitz, a well known architectural draftsman assisted the Lagomarsino brothers to formulate the design for the new building. The plans call for a two story frame and stucco structure. The ground floor will consist of two separate stores, one of which will be occupied by the William Lagomarsino and Co. insurance agency. The second floor will house two five room and one three room apartments. The very latest in modernistic designing is used throughout the entire building.

SUDDEN DEATH CLAIMS LOCAL D C MERCHANT

Eagles Hold Service For Late Past President

Stricken suddenly as he was serving a customer at his butcher shop, Joseph E. Doyle, 44, brother of the late Jack T. Doyle, former Daly City police chief, dropped dead late last Friday.

Mr. Doyle had been talking to friends in his shop and reached for a knife to sharpen it preparatory to cutting a piece of beef. As he reached out, he slumped to the floor. At Villa hospital he was pronounced dead, apparently from a heart attack.

MYSTERIOUS DEATH

Former Chief Jack Doyle was one of the best known police officers on the Peninsula. Connected with Daly City Police Department for many years, Jack Doyle was struck down mysteriously as he crossed Mission street in the southern section of Daly City two years ago. An investigation failed to show what struck Doyle.

FUNERAL MONDAY

Joseph Doyle, a native of Colma and resident here all his life, operated a butcher shop at 6001 Mission street. He leaves his wife, Elizabeth; a son, Joseph jr.; his mother, Mrs. May Doyle, four brothers and two sisters.

Memorial services were conducted by Colma Vista Grande Aerie No. 1848, F. O. E., at 8 p. m. Sunday evening. Doyle was a past president of that order.

Funeral services were conducted from W. C. Lasswell and company, Monday morning. Mass was celebrated at Our Lady of Perpetual Help Church and entombment was made at Holy Cross mausoleum.

D. C. Welfare Assn. Holds Banquet

Members of the Community Welfare association held a banquet Thursday evening, December 8, at Colonial Cafe to celebrate their many years of work for civic welfare. Following the turkey dinner, President Joseph Dolan called upon members for a review of the association's activities.

Pioneer talks were made by Mrs. Reinhart, Steve Rouschen, Jack Fahey, and Ed Cavagnaro. Mr. Fahey and Mr. Cavagnaro related many interesting events before Daly City was incorporated. This area before 1904 was known as Daly Hill.

Mrs. David Johnston and Mrs. Violet Hauptli arranged the banquet.

American Shoe Closes Contest

American Shoe Shop, 6274 Mission street, closed a successful four month sales contest Tuesday and awarded more than $100 in prizes to local boys.

The winner, Thomas Fazendin, 35 Hillcrest drive, won a Silver King bicycle. Second prize went to F. Barone, 458 Winchester street and third to R. Vergagni, 380 San Diego avenue. Other prize winners were: B. Coon, R. Johnson, F. Jones, J. Musante, B. Noli, A. Byrne, H. Stewart, W. Mossmayer, and T. Thimis. All contestants were awarded a box of candy and a tablet.

Points were awarded to contestants for bringing customers into the shop.

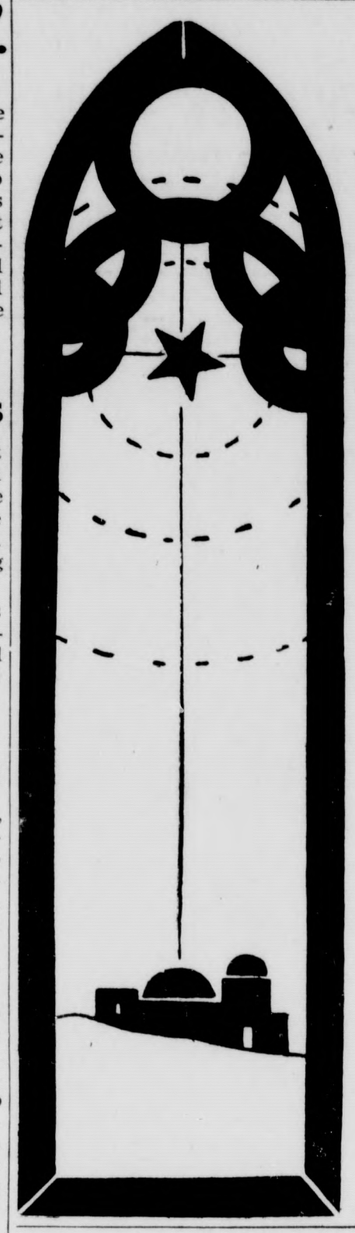
Alcott Classic At Alcazar

"Little Women," that unadorned, charming chronicle of American family life written by Louisa M. Alcott about 75 years ago, was enacted on the stage of the Alcazar, Monday night, the opening of a two weeks engagement, to the delight of an audience that filled the house to the doors. It is the Federal theatre's offering to the theatre-going public during the Christmas holidays.

Always a story of great appeal for femininity it was noticeable Monday night that "Little Women" still holds—as it must have when they were younger—a great hidden appeal for the men. More than one handkerchief was furtively whipped out to cover a pretended cough but in reality to brush away a tear. Incidentally, there was ample and definite proof on all sides in the audience that despite the progress of the years, human emotions are not so very different than they were when Miss Alcott wrote her book in 'Civil War days.

"Little Women" is a grand story, as good today as years ago. It loses nothing by being taken into the theatre. The book is closesly followed.

Free Christmas Party Today



PEACE

Christmas thoughts this year are tinged with a deeper consciousness of world needs than usual. Although all of us are busy with homey preparations for the holidays, who has not fervently expressed the hope that the world might see peace at this season when all the Christian world proclaims the King of Kings?

But peace will not come by hopeful wishing alone. All of us must work for it.

No finer pledge could be made than to resolve that in the new year each of us will do his part to bring

Peace on Earth,
Goodwill to Men

Daly City Theatre Doors to Open At 12:15

FOR EVERY CHILD

Today, Friday, at 12:15 sharp the Daly City theater will open wide its doors for the gayest and most colorful children's Christmas party ever staged in this community.

Every local child is invited to attend the gala affair sponsored by Daly City Chamber of Commerce, the city and organizations. No admissions will be charged. Free tickets have been distributed to all Daly City school children. Youngsters under school age will be admitted if they are accompanied by an adult.

Daly City Cab company has volunteered to furnish transportation for any crippled children who may otherwise not be able to attend the show. Telephone RAndolph 3215, the Daly City Record, and a cab will call at the child's home and will return the boy or girl after the show.

FEATURES

Joe E. Brown in "The Circus Clown" will be the feature picture. "Backyard Broadcast," a kiddie revue, and "Pigs Is Pigs," a color cartoon, are scheduled as shorts.

Stage shows presenting an all star children's band with special acts from the Golden Gate Conservatory of Music, dancers from Miss Rose's studios, and Hawaiian guitar artists from the Erna Slee studios will offer gay and lively entertainment.

First moving picture will go on the screen at 12:30. Starting at 2 p. m. the stage entertainment will be presented. The theater will be emptied and a second show will start at 3 o'clock.

Following each show, Santa Claus and his helpers will give each boy and girl a large colored candy cane.

Boys Make Huge Success Of D. C. Record Drive For New Subscribers

They jammed through the door, they climbed through the window, they crowded around the circulation manager's desk, sat on the secretary's desk, and even overflowed into the back shop. . . . .

This was the most enthusiastic and energetic group of boys ever assembled in Daly City . . . we mean the fellows who made a tremendous success of the Daly City Record circulation campaign which closes this week.

Early in December, The Record set a goal of one hundred new subscribers for the month and set up a Christmas card premium program to accomplish the job. Ambitious local boys were invited to earn 25 cents for each new subscription they brought in.

Away like a whirlwind, the gang turned in more than one hundred subscriptions the first week they went to work. Still going strong they've more than doubled the original goal. To date 214 new names have been put on the subscription list. The business management of The Record is extremely happy to have added this many paid-in-advance new subscribers to the deliveries.

Boys who sold new subscriptions for The Record are: Elmer Raanes, Tommy Thimis, Richard Selmi, Frank Devlin, Milton Roberts, Pete Marivelias, Billy Gerhard, Don Bergstedt, Henry Herting, Lawrence Christensen, Frank Pate, Bob Southerland, James Petersen, Keith Claussen, Ken Claussen, Herb Derungs, Robert Meritt, Tommy Fazendin, George Valente, Frank Yorks, Ralph Lynch, Jack Coon, George Adams, Robert Weidenkeller, Fred Braumeller, Warren McHugh, Virgil Flatt, Jack Faulk, Louis Arata, Fred Waterman, Pete Resinkin, Don Laston, Robert Jobsen, and John Mosman. Barbara Rogers and Mrs. Grace Augustien also participated in the program.

Special Speaker At Fathers Forum

E. S. Moore, assistant manager public safety department, California State Automobile association, was special guest speaker Tuesday evening at the Fathers Forum meeting at theater hall.

Mr. Moore spoke chiefly on the activities of Junior Safety Patrol Units and showed a moving picture on traffic safety.

Pedestrian Traffic Toll High in Cities

Careful walking in traffic-crowded city streets and greater caution by motorists for the safety of pedestrians are major requirements if the accident death toll is to be materially reduced.

This declaration and supporting statistics were presented in a statement this week by the public safety department of the California State Automobile association, sounding a timely theme at this holiday period when streets are thronged.

Accident figures from nationwide reports were cited by the motorists organization as evidence of the hazard faced by pedestrians. With 94 persons killed in traffic accidents in San Francisco up to December 1 of this year, 66 were pedestrians, or 70.2 per cent of the total. In Oakland during the same period deaths totalled 67, including 51 pedestrians, or 76 per cent.

DALY CITY BAND SELECTS MATHER FOR PRESIDENT

Other Officers Are Beeson, Brenner, Williamson

Fred Mather, president; Thomas Beeson, vice president; Charles Williamson, secretary, and George E. Brenner, bandmaster are the officers recently elected by Daly City band.

The band is practicing regularly every Tuesday evening and is preparing to participate for the eighth time in a pageant to precede the East-West game, January 2. Reviewers year after year have complimented Daly City on the excellent band appearance for this event.

"The Pacific Pageant March," a march recently composed by Bandmaster Brenner, is enjoying much popularity. Leading bands of the bay area have added the number to their music files and millions of fair visitors next year will be entertained by the local bandmaster's composition.

Daly City's band has been invited to appear on Treasure Island next year.

Fire Department Gives First Aid

Immediate and efficient first aid rendered by Daly City Fire department may have saved a life Saturday when the department treated Albert Schumacker, 28 Hillcrest drive, who was badly burned when gasoline exploded while he was cleaning the kitchen floor at his home.

Schumacker has since been moved to the Community hospital and is reported to be progressing favorably.

CIVIC PROGRESS

By Mayor Selmi

Christmas

This Christmas season should be a joyous one for the people of Daly City. Civic improvements, which include a new library, new postoffice, new city hall and additional playgrounds (completed or under construction) fill our community Christmas stocking to brimming capacity.

The progress being made by our city, I believe, will in a comparatively short time make us one of the leading communities in the county. Our proposal for municipal busses operating between Daly City and Twin Peaks will hasten the rapid growth of our community.

Paul G. Selmi

Street improvements in the south end of our city have not as yet been assured. This work is dependent partly upon WPA funds and we therefore must wait until Congress convenes in January to know if appropriations will be made.

I extend to the people of Daly City my sincere wishes for a very happy holiday season.

ROD AND GUN CLUB TO HOLD WHIST

Members of the Daly City Rod and Gun club will hold a whist party, January 6, at 176 Los Banos avenue, starting at 8:30 p. m. George Wheeler, chairman, announces that the public is cordially invited.

Softball teams of the Daly City and San Francisco Rod and Gun clubs will tangle in the third game of their tournament Sunday, January 8, 9:30 a. m. at Jefferson Union high school. The winning team in the tournament will capture a $47.50 trophy.

Members of the Junior Game patrol will participate in activities at the East-West game, Kezar stadium, January 2.

Grace Church Program

Reverend N. M. Lewis, pastor, has announced that the Sunday school of Grace Church of the Nazarene, will present a Christmas program tonight (Friday) at 8 p. m. Every department of the Sunday school is participating in the entertainment. The public is cordially invited to attend.

The Young Peoples society will present a pageant carrying out the theme of the birth of Christ, Sunday evening at 7:45 p. m. The public is also invited to this program.

'FOUR DAUGHTERS' BASED ON STORY BY FANNIE HURST

What happens when four devoted sisters fall in love with the same man? "Four Daughters," the Warner Bros. picture based on a Fannie Hurst story, which opens at the Daly City theatre Sunday, takes that as its theme and develops it into a richly human story.

The four daughters of an elderly musician all give their hearts unanimously to a captivating young man who comes to live at their home, and he in turn is enraptured by the youngest of them. And it is this girl, scarcely more than a child, who bravely sacrifices her own happiness because of a mistaken notion that by so doing she will insure the happiness of her oldest sister. More by chance than by design, the tangle into which the lives of the four girls is thrown is eventually unravelled so that each achieves the destiny that makes her happiest.

The cast of "Four Daughters" is of unusual interest in itself. In the first place, three of the four sisters are played by three girls who are sisters in actuality, Priscilla, Rosemary and Lola Lane—the fourth sister being enacted by Gale Page.

In the second place, two young actors of emphatic promise are both given their first big film roles in this picture. They are Jeffrey Lynn, a handsome youth who exudes so much charm that he is expected to win immediate fan favor, and John Garfield, considered the best young character actor developed on the New York stage since Cagney, Muni and Robinson came to Hollywood.

The substantial base of tried and proven acting ability is provided by such reliable troupers as Claude Rains, May Robson, Frank McHugh and Dick Foran.

The Fannie Hurst original was turned into a screen play by Julius J. Epstein and Lenore Coffee, and the production was directed by Michael Curtiz.

Companion picture on the new bill at the Daly City theatre will be "City Streets" with Leo Carrillo and Edith Fellows.

Wanda Koster, Georgia Labarge, Margaret Pettigrew, Bertha Rang, Jim Bergin, Henry Cassens, and Sam Castro attended the funeral services of William G. Savage recently. Sam Castro was one of the pallbearers.
